Re: **CADS 2018 Board Elections**

At the upcoming CADS AGM on March 19th, 2018 during the CADS Ski and Snowboard festival in Mont Saint Anne, Quebec, there will be an opening for 3 elected positions to the CADS Board of Directors.

Within the scope of strategic planning of the Board, succession planning of board members will enable CADS to continue with experience and new ideas at the board level. The nominating committee is searching for qualified candidates and would like to give any CADS member the opportunity to express their interest. These candidates will be presented to the membership at the CADS AGM for election Monday, March 19th, 2018 in Mont Saint Anne, Quebec.

CADS has established a priority for board members who are knowledgeable in and have experience in fund development, communications and change management. These are areas of high importance for the success and operations of CADS.

CADS is a not for profit organization and there is no monetary compensation for board members, although travel expenses for meetings are covered by the Association. There are typically 1 to 2 face-to-face meetings per year and monthly conference calls.

Please email a brief letter of interest, along with the attached nomination form to the CADS Nominating Committee Chair, John Shaw c/o jnshaw@telus.net by **February 16th, 2018**.
